10:00-10:20: Best Practices Brainstorming

10:20-10:30: Question & Answer

Evaluations

What resources are available at your college or university to support faculty to transform a course they teach into a Study Abroad course?

What resources does your college or university have available to assist faculty in designing international student learning outcomes?

What international on-campus and community events and activities are available for faculty and students to participate in and use to internationalize courses?

What resources, in the form of either direct support or faculty development activities, can your college/university provide instructors to create international content for their courses?
